Care You Can Trust

Providing customized and compassionate care in the safety of your home.

What Sets Us Apart

01

We work towards consistently identifying gaps and improving the quality of our services by collecting regular feedback.

02

We invest in the best continuing education and training for our staff to maintain our high service standards.

03

The needs of our patients can alter with changes in their health condition. So we conduct regular nursing assessments to update care plans.

04

We are always reachable for all your personal assistance needs. Feel free to connect with our after hours on call team if you have any queries.

Services We Offer

We provide experienced caregivers and skilled care services to improve the quality of life of our clients and their families within the comfort of their homes. Services offered are:

In-Home Care

Our skilled caregivers specialize in providing care to seniors and those living with disabilities in their homes. We provide a wide range of services to help clients with their personal care, hygiene needs and much more.

Alzheimer's and Dementia Care

Cognitive challenges and memory loss are a natural part of aging, and also one of the biggest challenges when caring for seniors. The caregivers at Optimal Cares are specially trained to manage the challenges that come with these conditions.

Respite Services at Home

Give yourself a short-term break to rejuvenate, and recuperate from the stress, and hardship of constantly caring for your loved one while we provide a live-in caregiver to fill in for you.
